

# PUBLIC SAFETY DIVISION ANNOUNCEMENT

## Freezing Rain Warning in Effect

For immediate release

**(Kahnawake – 4, Tsothohrhkó:wa/January 2023)** The Public Safety Division of the Mohawk Council of Kahnawà:ke wishes to notify the community that a Freezing Rain Warning is in effect for our area.

An ice accumulation of 2 to 5 millimeters is expected Wednesday evening into Thursday morning.

Surfaces such as highways, roads, walkways, and parking lots will become icy, slippery, and hazardous. There may be a significant impact on rush hour traffic in urban areas.

Although the Public Safety Division is confident that community members will adjust their travel accordingly, this is a friendly reminder to continue maintaining a healthy awareness of weather conditions.

Please monitor alerts and forecasts issued by [Environment Canada](#).
