Vaccination Passport Only Required for Minor Sports at the Sports Complex

(Kahnawake – 24, Enniska/February 2022)

The Sports and Recreation Unit of the Mohawk Council of Kahnawà:ke is announcing that the Vaccination Passport will no longer be required for adult hockey or private skating rentals at the Kahnawà:ke Sports Complex effective Monday, February 28, 2022.

The Vaccination Passport will still be required for all participants, athletes, volunteers, and spectators during Kahnawà:ke Minor Hockey Association and Kahnawà:ke Figure Skating Club hours. Removing this requirement will jeopardize our minor sports' ability to remain in their leagues and associations or play games as they are still a requirement of Hockey Quebec and Patinage Quebec.

Community members will be informed of any changes regarding the removal of this requirement.

The Vaccination Passport will not be required for Public Skating.

As a reminder, masks, hand washing, and social distancing are still required of all visitors to the Kahnawà:ke Sports Complex.
