

The Kahnawà:ke COVID-19 Task Force

March 17, 2020

To: All Kahnawake Ironworkers

Due to the global Pandemic COVID-19 virus, the Kahnawake COVID-19 task force is directing all Kahnawake Ironworkers who work outside of the territory of Kahnawake to abide by the following criteria.

- Return home and follow the 14-day self isolation period.
- Or
- Stay at your current job location until further notice.

All back and forth travel puts our community at greater risk of spreading the virus.

Thank you,
