Martin Morris selected as new Director of Public Works

For immediate release

(Kahnawake – 22, Enniskó:wa/March 2023) The Mohawk Council of Kahnawà:ke (MCK) is pleased to inform the community that Martin Morris has been selected as the successful candidate for the position of Director of the Public Works Unit.

Martin began his career at the MCK in 2003, working at the Sports and Recreation Unit until 2005. In 2010 he was hired as the Assistant Supervisor of Infrastructure Operations and Maintenance (IOM) for Public Works and then moved to the IOM Supervisor position in 2014. In 2021, he became the General Manager of IOM and has been the acting Interim Director of the Public Works Unit, replacing Brendan Montour, who became the Director of the Capital Unit.

“Martin has been doing an excellent job here at the MCK and has been a dedicated employee throughout the years,” said Ratsénhahienhs Arnold Boyer, who holds the Infrastructure, Transport, and Operations Portfolio. “We wish Martin well in his new position as Director of the Public Works Unit, and I’m confident he will be an asset to the unit and community.”

Mr. Morris officially began work as Director on March 13, 2023.
