Rainfall Warning in effect

(Kahnawake – 13, Onerahtókha/April 2022)

The Public Safety Division of the Mohawk Council of Kahnawà:ke wishes to advise the community that Environment Canada has issued a Rainfall Warning for our area.

Rain, possibly heavy at times, will begin later today and is expected to continue throughout the day

Rainfall amounts of **20 to 30** millimeters are expected, with some areas receiving up to **40** millimeters. Heavy rainfall can cause flash flooding and water pooling on roads and highways.

Localized flooding in low-lying areas is possible.

Homeowners are advised to verify that their home's sump pump is functioning properly and take any other necessary precautions.

Thank you for your attention in this matter.
