Mosquito Control - Advisory

For immediate release

(Oneratók:ha April 21 2005) The Mohawk Council of Kahnawake would like to advise the community that the Mosquito Control Program will begin this afternoon or this evening with the first pass of a low flying aircraft.

The plane will be applying the biological Insecticide BTI and will fly very low over the area of the 138 highway and industrial Boulevard on the border of Kahnawake and Chateaugay.

The plane will pass several times throughout the weekend.
