## Reminder – COVID-19 Task Force Guiding Principles

For immediate release

**(Kahnawake – 22, Onerahtókha/April 2020)** The Kahnawà:ke COVID-19 Task Force wishes to remind the public that it continues to operate on two main principles:

- Kahnawake is for Residents only
- Kahnawà:ke is operating on essential services only

There are other Directives, but these are the Task Force's guiding principles.

“We will stay the course for the next week or so (depending on medical advice) when **we will reassess all the directives and measures** in place,” said Commissioner of Public Safety Lloyd Phillips. “The sole purpose of our actions is to protect the health and safety of our community. All directives regarding COVID-19 apply to everyone within the territory. There are no exceptions – we are all in this together.”

For a comprehensive listing of all directives issued to date, visit <http://covid-19.kmhc.ca/directives>. The Task Force appreciates everyone's patience and compliance during this challenging time.
