PUBLIC SERVICE ANNOUNCEMENT

MCK installing new roof

(Kahnawà:ke – 14, Onerahtohkó:wa/May 2012) The Capital Unit of the Mohawk Council of Kahnawà:ke (MCK) would like to inform the community that a new tin roof will be installed on the Main Office of the MCK and is scheduled to begin Wednesday, May 16th for approximately three weeks, weather permitting.

The existing shingle roof is problematic due to the height of the building and high wind damage. Over the years, repairs to leaks and shingles have proven to be more costly than investing in tin.

During the work, the building will be accessible at all times. However, parking may be reduced at times. (See map for work zone area)

Proper signalization will be installed to warn of the work zone. Detours, if necessary, will be clearly marked to allow for alternate routes for safe passage of pedestrians.

Your patience throughout this project is greatly appreciated. Please contact the Technical Services Office at 635-1016 if further information is required.

SUGGESTED INSTRUCTIONS FOR MEDIA

Please mention at your discretion up to June 6th.

For further information on this release contact Justus Polson-Lahache at 450-632-7500, ext. 2267
