## **PUBLIC SERVICE ANNOUNCEMENT**

### **Animal Vaccination Clinic May 27<sup>th</sup>**

**(Kahnawà:ke – 16, Onerahtohkó:wa/May 2012)** The Animal Protection Department of the Mohawk Council of Kahnawà:ke is pleased to announce that the Annual Animal Vaccination Clinic will be held on Sunday, May 27<sup>th</sup> from 9am to 1pm at the Community Protection Building.

A registered veterinarian will be on-site providing check-up, vaccination and preventative services for cats and dogs.

Pet vaccinations and preventative medication will provide protection against canine parvovirus, rabies, heartworm, fleas, ear mites, roundworm, and hookworm. Pet owners can choose a combination of, or all services they wish to provide for their animals.

All fees are the responsibility of the pet owner, but it is important to note that they will be provided at a lower cost than at a veterinarian office.
