Overnight closure - Mercier Bridge 138 west down-ramp towards Chateauguay

(Kahnawake – 17, Onerahtokó:wa/May 2022))

The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Jacques Cartier and Champlain Bridges Incorporated that maintenance and inspection work will require the closure of the R-138 west down-ramp (direction from Montreal towards Kahnawake/Chateauguay), **tonight (Tuesday) from 8pm until 4am.**

Crews will be using ground-penetrating radar for this inspection of the approaches, ramps, and part of the right lane on the Kahnawà:ke bound side of the span.

A detour via R-132 will be in place. See the map below.

Please drive with caution and slow down when entering the mobile work zones, and respect the Move-Over Law when you see flashing lights.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
