Overnight Lane Closures for the Mercier Bridge

(Kahnawake – 27, Onerahtohkó:wa/May 2021)

The Mohawk Council of Kahnawà:ke (MCK) has been advised by the Jacques Cartier and Champlain Bridges Incorporated (JCCBI) that crews will be performing mobile maintenance work on the Mercier Bridge tonight from **10pm** until Friday **5am**. As a result, motorists can expect partial, short-term lane closures on both sides of the span.

Additionally, the Ministère des Transports du Québec will continue work on R-138 between Airlie and Clement which will require the closure of one lane in each direction from **10pm** to **5am**.

Finally, the Airlie entrance from Lasalle to R-138 west/Kahnawà:ke bound Mercier Bridge will also be closed from **10pm** to **5am**, detour via Clement.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
