Relations / Communications
Unit*

C.P. Tunnel Closure tomorrow

(Kahnawake – 6, Ohiarí:ha/June 2016) The Capital Unit of the Mohawk Council of Kahnawà:ke would like to inform the Community that the upcoming project to install water & sewer lines in, what has come to be known as the 'Land Claims' area, will require a complete closure of the C.P. tunnel on the Old Malone Highway.

The work for this project is scheduled for tomorrow, Tuesday, June 7th, weather permitting. Anyone wishing to access the area will be detoured along the Seaway road or via the Route 132/138 service road.

In the map below, the red shaded area indicates where the works will take place. The green shaded area is the detour route.

Your patience throughout this project is greatly appreciated. Please contact the Technical Services Office at 450-635-1016 if further information is required.
