## Tsi Nahóten Karihwanákere No'nenk News Release

### Land Study Underway

#### For immediate release

**(Kahnawake – 9, Ohiarí:ha/June 2009)** The Mohawk Council of Kahnawà:ke wishes to inform the community that the Quebec Ministry of Transport has proceeded with different studies on the lands that are in the process of being transferred to Kahnawà:ke. The lands referred to are those that Quebec agreed to repatriate in June 2008 as the first step in their involvement in the Seigneurie of Sault St. Louis grievance.

This includes lands along Highway 30 near the junction of Route 207 and the area at the end of the Old Chateaugay Road.

This will include soil and water studies, which will include the gathering of samples. Some of this equipment is in place and resembles a pump mechanism. This is being done to ensure that the lands are useable and safe.

The studies are expected to be completed by July.
