## Tsi Nahóten Karihwanákere No'nenk News Release

### Investigator yet to be named in Myiow case

#### For immediate release

**(Kahnawá:ke – 22, Seskéha/August 2007)** The Mohawk Council of Kahnawá:ke (MCK) has announced that it is still in the process of selecting an investigator to look into the complaint against Keith Myiow. The MCK announced last week that Detective Jerry Swamp of the Akwesasne Mohawk Police would handle the case. However, The MCK has been informed that Detective Swamp would not be able to conduct the investigation due to time constraints.

The MCK is now in contact with other native police departments and is in the process of selecting a new investigator to oversee the case. Once an investigator is chosen, he/she will have 30 days to present a report.

Myiow was suspended with pay on August 13, 2007, after the MCK received a written complaint from a community member, alleging a breach of confidentiality.
