PUBLIC SERVICE ANNOUNCEMENT

Lane Closure Continues on Mercier Bridge

(Kahnawà:ke – 22, Seskéha/August 2008) Lane closures will continue on the Kahnawà:ke bound side of the Mercier Bridge from Monday, August 25th to Friday, August 29th. Closures will take place outside rush hour periods from 3am until noon.

These closures will allow the contractor, Mohawk Bridge Consortium (MBC), to continue repairing connection plates. In all, nearly fifty plates will be repaired by the MBC during this first phase of repairs.

These connection plates link the steel girders under the bridge and their repair will strengthen its structure. This work will be done below the road surface and will not be apparent to road users. However, this operation is essential to the bridge repair work and replacement of the deck.
