The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Jacques Cartier & Champlain Bridges Incorporated, that Mobile Repair work will require alternating lane closures between the area of the R-138/R-132 merge and the span over the Seaway on the Montreal-bound Mercier Bridge.

This work is scheduled to take place tonight, Thursday, August 27th, from **8pm to 5am**. There will be one lane available at all times. In case of poor weather conditions, the work will be postponed to Friday, August 28th.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
