Overnight Lane Closure Mercier Bridge

(Kahnawake – 30, Seskéha/August 2021)

The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Ministère des Transports du Québec (MTQ) that inspection and maintenance work will require the closure of one lane tonight.

One of two lanes will be available on the Montreal-bound Mercier Bridge from **9pm until Tuesday at 5am**.

Additionally, roadwork on Airlie will require the complete closure of the Airlie exit from the Montreal-bound Bridge, as well as the entrance towards the Kahnawake-bound span from **9pm until 5am**.

Please drive with caution and slow down when entering the construction zones, and respect the Move-Over Law when you see flashing lights.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
