## REMINDER - MCK gauging opinions on community meetings

For immediate release

**(Kahnawake – 22, Seskehkó:wa/September 2021)** The Mohawk Council of Kahnawà:ke (MCK) would like to remind the community that a survey was launched on September 13<sup>th</sup>, to gauge opinions of Kahnawa'kehró:non regarding Community meetings, specifically during the COVID-19 Pandemic.

The survey is anonymous and can be taken at [www.kahnawake.com/meetings](http://www.kahnawake.com/meetings) until this Friday, September 24<sup>th</sup> at 4pm.

The survey asks how community members feel about the different types of meetings that could be held with respect to the COVID-19 measures. The results of the survey will be tabulated and presented to the Ratitsénhahienhs. The opinions gathered will assist in their decision on how to move forward with engaging the community.

## Background

As a result of restrictive gathering measures during the past 18 months it has been very challenging to hold in-person meetings, and it is clear that it will continue this way in the upcoming months. The last community meeting was held in February 2020.
