Hawkers & Peddlers Permit Information

(Kahnawá:ke – 11, Kenténha/October 2006) MCK's Community Protection Unit (CPU) would like to remind all Kahnawá:keró:non that, when approached by any non-local salespersons, to always ask to see a *Hawkers & Peddlers Permit*.

CPU exclusively issues permits after the applicant is screened thoroughly and passes a complete background check.

If the person does not have a permit, please re-direct them to the Community Protection Unit immediately. Should the person refuse, you are advised to contact the Kahnawá:ke Peacekeepers.

Remember: an approved permit is not a product endorsement.

For more information please call Sherri Diabo at 450-632-0635 or drop by the Community Protection Offices.
