Technical Survey on Mohawk Self Insurance underway

For immediate release

(Kahnawake – 19, Kenténha/October 2020) The Kahnawà:ke Labor Office is pleased to announce that consultation on Mohawk Self Insurance (MSI) is underway in the form of a technical survey through Kahnawà:ke's PlanIT Consulting & Communications.

PlanIT is conducting an independent and neutral survey on the topic of MSI as part of consultation for the proposed *Kahnawà:ke Occupational Safety & Health Law*, which entered the Community Decision Making Process (CDMP) on November 12, 2019.

Due to Covid-19, other forms of consultation have been discontinued. The results of the technical survey are not binding but will be a key resource for the CDMP process, where any final decisions are made. Anyone on the *Kahnawà:ke Kanien'kehá:ka Registry* is eligible to participate in the CDMP process.

Technical surveys are done through random selection. If you are called by PlanIT, your participation would be greatly appreciated.
