## Tsi Nahóten Karihwanákere No'nenk News Release

### **MCK to launch Community Question Period**

#### **For immediate release**

**(Kahnawá:ke – 22, Kenténha/October 2007)** The Mohawk Council of Kahnawá:ke has announced an initiative that will provide community members with a new forum to meet with Council Chiefs. A Community Question Period will be held one month prior to each Seasonal Community Meeting.

The Community Question Period will be based on the successful “media scrum” that takes place between the Chiefs and local media every two weeks.

The first is scheduled for Tuesday, 30 Kenténha/October at the Golden Age Club and will be held from precisely 12 noon to 1pm. The Community Question Period will be informal, though a moderator will be present to ensure that every person gets a chance to participate. Soup and sandwiches will be provided for the first fifty (50) people. Community members are also encouraged to bring a lunch, if they so wish.

“Those who always attend Community Meetings have been asking for more opportunities to ask questions, especially on the heels of the survey that resulted in keeping Community Meetings seasonal,” said MCK Director of Communications Neil McComber. “We hope this helps to provide some middle ground between monthly and seasonal meetings with the Chiefs.”

The Community Question Period will be held in addition to the Community Meetings, the next which scheduled for 27, Kentenkhó:wa/November.
