Special Notice on bullying from the Daily Transportation (school buses) Department

(Kahnawake – 17, Kentenhkó:wa/November 2022)

The Daily Transportation Department of the Mohawk Council of Kahnawà:ke (MCK) wishes to advise the community that it has received numerous complaints from parents regarding incidents of bullying on community school buses.

In response, the Transportation Policy has been upgraded to include an automatic one-week suspension of services for the first offence. This document can be viewed on the MCK website at www.kahnawake.com in the Public Works section of the drop-down menu, or by [clicking here](#).

Every effort is being made to improve the safety and well-being of the children while on the community buses. Please be advised that the Policy will be strongly enforced.

For further information, please contact MCK Daily Transportation Department Manager Spencer McComber at spencer.mccomber@mck.ca or **450-632-5825**.
