Relations / Communications  
Unit*

## Recycle Truck out for repairs today

**(Kahnawake – 25, Kentenhkó:wa/November 2019)** The Mohawk Council of Kahnawake's Waste Management Department would like to inform the Community that the Minimax Recycling Truck will not be on the road today due to maintenance/repairs.

As a result, the former recycling method (by hand) using the trailer will be used today, and **residents are asked to only put their bins out if they are full.**

MCK Waste Management apologizes for the inconvenience. For more information, please call **(450) 632-4321**.
