Asphalt Installation tomorrow

(Kahnawake – 25, Kentenhkó:wa/November 2019)

The Capital Unit of the Mohawk Council of Kahnawà:ke would like to inform road-users of the upcoming project to install asphalt on all of Mayo Road and portions of Martin Rd and East 157th Street. This project is scheduled to start tomorrow, November 26th, and may take two days to complete.

The roads affected will be closed to all traffic. The shaded area in the map below indicates where the works will take place.

Proper road signalization will be installed to warn of the construction limits. All private properties that are affected by the work in this area (e.g. driveways, walkways, hedges and/or fences) will be repaired or replaced prior to the completion of the project.

Your patience throughout this project is greatly appreciated, and we apologize for the temporary inconvenience. If further information is required, please contact the Technical Services Office at **(450) 635-1016**.
