Request for Decision: Application to intervene with the National Energy Board in regard to the Energy East Pipeline Project

Presence of Francis Walsh (MCK Legal Services). The MCK have agreed to file a request for intervener status at upcoming National Energy Board hearings regarding Trans-Canada Pipelines' proposed \$12 billion Energy East Project. This is a separate file from Enbridge Line 9B, which MCK was granted intervener status in 2013. The MCK will now begin preparing for the possibility/probability of participating at the hearings, which are expected to take place throughout 2015.

Discussion: Litigation against the MCK received on October 30, 2014 (added to agenda)
