#### **Agenda Items**

No agenda items scheduled.

#### **Informal Discussion: CCQ Mercier Bridge**

The table discussed the Mercier Bridge Contract B, specifically the re-enforcement of Council's position not to allow the Commission de la Construction du Québec (CCQ) back onto the Territory. In particular, two clauses are of a contentious nature: one which would see the job governed by Quebec laws (collective agreement chapter R-20) and another which would give the CCQ veto powers over disputes.
