(Kahnawake – 19, Tsothohrhkó:wa/January 2018)

The Kahnawà:ke Waste Management Department will be holding a kiosk at the service complex on January 26th from 9 am to 4 pm to provide information on services at the Transfer Depot and to answer questions on recycling.

Also, as outlined in Kahnawà:ke's 2016-2020 Waste Management Plan, the Kahnawà:ke Waste Management Department is conducting a survey to understand how much composting is currently taking place in Kahnawà:ke. The information will also help with future planning as it relates to community composting and residual waste disposal.
