### **MCK congratulates Continent 8 Technologies on industry award**

**(Kahnawake – 27, Tsothohrkó:wa/January 2011)** The Mohawk Council of Kahnawà:ke wishes to congratulate Continent 8 Technologies for receiving the prestigious “Technology Supplier of the Year” award at this this year’s International Gaming Awards. The ceremony was held in London, England as part of the annual International Gaming Exposition (IGE).

“This is great news,” said Grand Chief Michael Ahrihron Delisle, Jr. “This is validation of what we’ve been saying for a long time: we are, and will continue to be, at the leading edge of this global industry. On behalf of the Mohawk Council of Kahnawà:ke, congratulations to all involved.”

Since 1998, Mohawk Internet Technologies and, later, Continent 8 Technologies, have combined to service an estimated 80 to 90 percent of the on-line gaming industry. Mohawk Internet Technologies, 100% owned by the Mohawks of Kahnawà:ke, is a partner to Continent 8 Technologies, in which Kahnawà:ke maintains a 40 percent share.

Representatives from the Mohawk Council of Kahnawà:ke, the Kahnawake Gaming Commission and Continent 8 Technologies are participating in the IGE show to meet with regulators, testing agencies and clients until Friday, 28 Tsothohrkó:wa/January.
