PUBLIC SERVICE ANNOUNCEMENT

Delays in Elderly Snow Removal service

(Kahnawake – 2, Enníska / February 2011) The Mohawk Council of Kahnawà:ke (MCK) would like to inform clients of the Snow Removal Program that due to the large amount of snowfall, they should expect delays in service.

The sole contractor and laborers for the program are working as quickly as possible but it will take some time to clear snow for all 65 clients.

If you are a current client and would like information on the length of the delay, please contact Sandra Schurman by calling (450) 638-2672.

We would hope that in this time of need, family members would be able to lend a hand towards the safety of these elderly clients.

The MCK apologizes to its clients for this temporary delay in service.
