PUBLIC SERVICE ANNOUNCEMENT

Recycling Pick-up reminder

(Kahnawake – 11, Enníska/February 2014) The Kahnawà:ke Environment Protection Office would like to remind the community that households should have their recycling placed curbside **before 8am** on the designated pick up day for their area to ensure they receive the door to door pick up service.

The new streamlined schedule, which went into effect on February 3rd, is working well and all roads and all routes are being serviced, however the time crews pass by each household may have been altered from the previous schedule.

All residents will receive services once per week on the following new schedule: (see maps on page 2)

Monday: All homes beginning from the north side of the Old Malone Highway, including Sesame Street area

Tuesday: The road behind Calico Cottage, Mohawk Trail, OSHA to Clay Valley up to Clay Mountains, and Old Chateaugay Road

Wednesday: New development area around McGregor's farm to Indian Way and up to the CP tracks, the 207 and rural areas

Thursday: All homes beginning from the south side of the Old Malone Highway, from the Tunnel to the Town Apartments

The staff at the Recycling Depot thanks you for your patience during this transition period. Anyone with questions should contact the Kahnawà:ke Environment Protection Office at 450-635-0600 or the Recycling Depot at 450-632-4321.
