Mercier Bridge limited access towards Montreal overnight

(Kahnawake – 15, Enniska/February 2016) The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Ministère des Transports that there are overnight closures scheduled for the Mercier Bridge access ramps towards Montreal this evening from 10pm until 5am.

The Montreal-bound Route 132 upramp (from La Prairie) will be completely closed, with a detour for motorists toward the Route 138 upramp.

Additionally, the Montreal-bound Route 138 upramp will be reduced to one lane.

During the work, there will only be one accessible lane towards Montreal for the entire South shore.

The closure is necessary for mobile work on the lighting system.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints or work progression, and that it does not take part in the scheduling or cancellation of such works.
