COMMUNIQUÉ

Deadline for Special Vaccination Registration Procedure for Cross- Border Workers and Students TOMORROW

For Immediate Release

(Kahnawake – 15, Enniskó:wa/March 2021) The Kateri Memorial Hospital Centre (KMHC) wishes to remind the community that a special process has been put in place for community members working or studying in the U.S who would like to register for their COVID-19 vaccination and who, under normal circumstances, would be required to be in isolation. **The deadline to apply is tomorrow (Tuesday, March 16, 2021).**

KMHC has made special arrangements for vaccination specifically for cross-border workers or students who are in isolation when in Kahnawà:ke. A date for this special day will be chosen once the registrations are completed (so that we know the number of people requiring special arrangements).

If you are a cross-border worker or student who is normally in isolation during your time in Kahnawà:ke and you wish to be vaccinated, you must call by 4pm tomorrow. Contact Public Safety at **450-632-0635** to register your name and phone number.

Further information and procedures will be provided following the deadline.
