Important Notice regarding Tioweró:ton

(Kahnawake – 3, Onerahtókha/April 2020)

The Lands Unit of the Mohawk Council of Kahnawà:ke would like to discourage Community members from going to Tioweró:ton until further notice due to new measures put in place and the various road conditions in the area.

Due to the COVID-19 pandemic, local police are closely monitoring and, in some cases, preventing travel around the area. Additionally, there are several road closures in and around Tioweró:ton, and it may be difficult to get food and supplies outside of the territory.

In Tioweró:ton itself, the annual spring thaw has created highly unfavorable road conditions. Cars are especially discouraged due to deep ruts in several locations. Should a vehicle get stuck, it may be difficult, if not impossible, to find a tow truck at this time.

The Lands Unit is strongly urging people to stay home for the time being. The Caretakers can be reached at 819-321-3375 (main office).

Your cooperation during this difficult time is very much appreciated.
