Grand Chief meeting with Québec Native Affairs Minister today

For immediate release

(Kahnawake – 9, Onerahtókha/April 2015) The Mohawk Council of Kahnawà:ke (MCK) wishes to inform the community that Grand Chief Michael Ahríhron Delisle, Jr. will be meeting with Québec Native Affairs Minister Geoff Kelley today. Intergovernmental Portfolio Chief Lloyd Phillips and Chief of Staff Mike O'Brien will also be in attendance.

“There are a number of critical issues we need to speak about,” said Grand Chief Delisle. “Our relationship with Québec has been productive and, at this point, we feel that the relationship needs to be reinforced on certain files due to uncertainty from some ministries.”

“Meeting face-to-face is always the preferred method of communication and Minister Kelley has always made himself available when possible,” concluded the Grand Chief.

The meeting will take place at the MCK.
