COMMUNIQUÉ

Task Force confirms positive case at Kahnawake Survival School - all contacts advised

For immediate release

(Kahnawake – 16, Enniska/April 2021) The Kahnawà:ke COVID-19 Task Force wishes to advise the community that a positive COVID-19 case has been identified at the Kahnawake Survival School (KSS) today. We would like to reassure the community that immediate measures are being implemented to ensure the health and safety of the students, staff, and their families at this time:

- All students and teachers from the identified classroom are in isolation as of today, Friday, April 16th
- KMHC's Local Public Health Team has completed contact tracing

This communique is to reassure all staff and students of KSS that all contacts have been notified. If you have not received a phone call from KMHC Local Public Health Team, then you are not considered a contact despite the fact that you attend KSS.
