**(Kahnawake – 21, Onerahtókha/April 2019)**

The Lands Unit of the Mohawk Council of Kahnawà:ke is cautioning the Community that recent rain, combined with the spring thaw has caused many areas to flood in Tioweró:ton.

At this time, many areas of the Territory are inaccessible, and the caretakers are working diligently to check cabins and road conditions.

Please contact the main Caretaker's cabin at (819) 321-3375 for more information on road and cabin conditions. We appreciate your patience during this time.
