PUBLIC SERVICE ANNOUNCEMENT

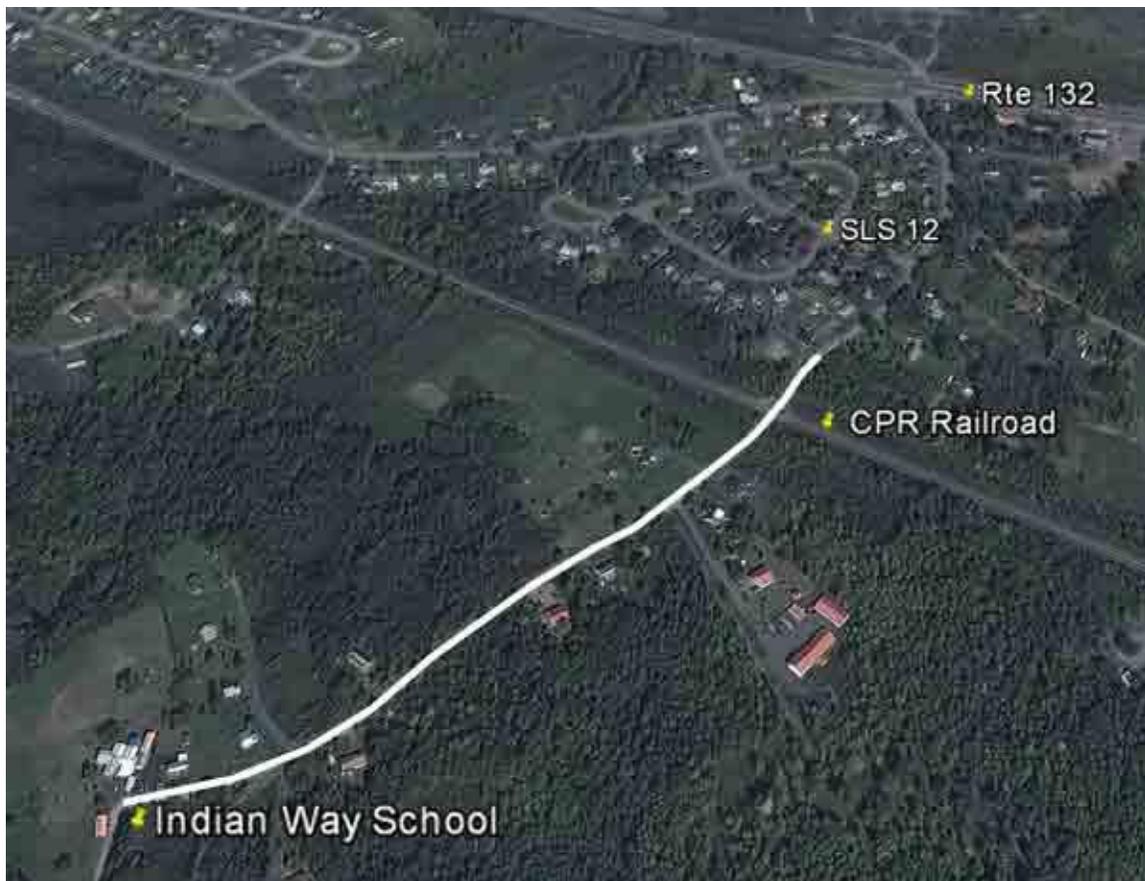

Indian Way School area Water & Sewer line installation

(Kahnawake – 27, Onerahtókha/April 2015) The Capital Unit of the Mohawk Council of Kahnawà:ke would like to inform the Community of the upcoming project to install water & sewer lines in the Indian Way School area. The work for this project is scheduled to start on Monday, May 25th and will continue until the end of November 2015.

This project will include installing a waterline & sanitary sewer system. Upon completion of the previously mentioned works, the road will be resurfaced with new asphalt. Residents in the area may be inconvenienced with temporary loss of water; dust and noise from trucks and equipment; detours; and temporary road closures. Proper road signalization will be installed to warn of the construction limits. The community will also be notified when a road closure is scheduled.

All private properties that are affected by the work in this area (e.g. driveways, walkways, hedges and/or fences) will be repaired or replaced prior to the completion of the project.

Shown below is a map of the general area. The shaded area indicates where the works will take place.

Your patience throughout this project is greatly appreciated. Please contact the Technical Services Office at 450-635-1016 if further information is required.

SUGGESTED INSTRUCTIONS FOR MEDIA

Please mention at your discretion up to Monday, June 1st at 6pm.

For further information on this release contact Gene Diabo at 450-632-7500, ext. 2254
