Tsi Nahóten Karihwanákere No'nenk Joint News Release

Important information regarding today's Police Operation in Akwesasne and the Montreal Area

(Kahnawake – 30, Onerahtókha/April 2014) The Kahnawake Peacekeepers and the Mohawk Council of Kahnawà:ke would like to inform community members that a police operation targeting tobacco and organized crime has taken place today in several Montreal area communities, as well as Akwesasne. This operation did not involve the participation of the Kahnawake Peacekeepers, nor were any operations conducted within the Territory.

The Kahnawake Peacekeepers have been notified by the Sureté du Quebec that warrants have been issued for a number of Kahnawà'kehró:non in relation to today's events.

Those who have had tobacco-related warrants issued against them will be contacted directly by outside authorities. Although the MCK has consistently expressed support for the tobacco industry, it is difficult to offer more than moral support without proper regulation of the industry.
