Temporary Detour on Depot Road, until Mid-June

(Kahnawake – 3, Onerahtokó:wa/May 2018) The Mohawk Council of Kahnawà:ke has been informed by the Jacques Cartier and Champlain Bridges Incorporated that a temporary detour road is scheduled to be operational on Sunday, May 6 at 8pm (see map below).

The temporary detour road is required so that rehabilitation work on the piers on the Federal Section of the Mercier Bridge can continue, and to ensure worker safety. Work on this section of the piers is expected to last until Sunday, June 17, 2018.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints or work progression and that it does not take part in the scheduling or cancellation of such works.
