## Community Review begins on Tioweró:ton Development and Cabin Ownership Procedure

### For Immediate Release

**(Kahnawake – 26, Ohiarí:ha/June 2019)** The Mohawk Council of Kahnawà:ke (MCK) wishes to inform Kahnawà'kehró:non that the draft *Tioweró:ton Development and Cabin Ownership Procedure* (“*the Procedure*”) document has been made available to the public and a 30-day Community Review is beginning immediately.

The purpose of creating the Procedure is to establish an improved process to obtain a Cabin Site in the Tioweró:ton Territory, including the transfer or sale of a Cabin Interest.

The purpose is also to establish an orderly process for the development and use of the Territory, which respects the applicable environmental norms and standards.

The 27-page draft Procedure is very detailed, and covers all aspects of cabin ownership, such as site selection, approval process, construction standards, landfilling, and conservation measures.

The document is available on [www.kahnawake.com](http://www.kahnawake.com). Community members may submit their comments to [feedback@mck.ca](mailto:feedback@mck.ca) which goes to MCK Public Relations.

All feedback from the review will be sent to the Tioweró:ton Committee on July 26th. Names and email addresses will be kept anonymous.

Comments and suggestions will be accepted until 4pm on Thursday, July 25<sup>th</sup>. The results of the consultation will be compiled, and a report prepared for the public.
