Additionally, Inspections will also be taking place along R-138 between Chateauguay and the Mercier Bridge, and the R-207 area, which will require temporary and partial lane closures between **7am** and **5pm**, also on Monday, August 9.

Please drive with caution and slow down when entering the construction zones, and respect the Move-Over Law when you see flashing lights.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
