(Kahnawake – 12, Seskéha/August 2021)

The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Jacques Cartier and Champlain Bridges Incorporated that overnight maintenance work will require mobile lane closures on the Mercier Bridge, tonight from **8pm** until Friday, **5am**.

Partial lane closures will take place at the top of the R-138 east up-ramp and along the right lane of the Montreal-bound Bridge, as well as the right lane of Kahnawà:ke-bound span, from the Seaway section towards the R-138 west down-ramp.

Please drive with caution and slow down when entering the mobile work zones, and respect the Move-Over Law when you see flashing lights.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
