## Outside School Bus Services deadline TODAY

**(Kahnawake – 13, Seskéha/August 2020)** The Kahnawà:ke School Transportation Department is reminding parents who have children attending outside schools to please call the Department by 3:30pm **today** in order to register them for bus services to outside schools.

Please call Spencer McComber at 450-632-5825 if you are planning to send your child to an outside school and want bus service.

The announcement was first made on the Kahnawà:ke School Bus Facebook page on Tuesday, August 11 and Manager Spencer McComber was on K1037 yesterday.

The School Transportation Department does not have personal contact information for parents and apologizes for not issuing an official announcement.

The School Transportation has estimated that only 70 parents have called to date. If there are not enough children going to outside schools, certain school bus services may be cancelled for this year.
