Mercier Bridge Mobile Inspections Tonight

(Kahnawake – 30, Seskéha/August 2018)

The Mohawk Council of Kahnawà:ke has been informed by the Ministère des Transport du Québec that mobile inspection work will take place tonight (Thursday, August 30) from 10pm to 5am.

The work will require alternating temporary lane closures on the Montreal-bound side of the bridge.

For the safety of workers, motorists are reminded to adhere to the Move-Over-Law in construction zones.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints or work progression and that it does not take part in the scheduling or cancellation of such works.
