# **PUBLIC SERVICE ANNOUNCEMENT**

## **Mercier Bridge overnight lane closures**

**(Kahnawà:ke – 8 Seskehkó:wa/September 2022)**

The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Jacques Cartier & Champlain Bridges, Inc. that inspection and maintenance work will require the closure of the right-hand lane on the R-132 east down-ramp (towards A-30/La Prairie) from the Kahnawà:ke-bound Mercier Bridge.

This closure will take place tonight (Thursday, September 8, 2022), **from 9pm until 5am.**

Additionally, the Ministère des Transports du Québec will be inspecting part of the Montreal-bound Mercier Bridge, between the second superstructure and the Lasalle side of the span, requiring the closure of one (1) of two (2) lanes, between **9pm until 5am.**

Please drive with caution and slow down when entering the mobile work zones, and respect the Move-Over Law when you see flashing lights.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
