PUBLIC SERVICE ANNOUNCEMENT

Water Main Replacement: Council Road

(Kahnawake – 10, Seskehkó:wa / September 2009) The Capital Unit of the Mohawk Council of Kahnawà:ke would like to inform all Kahnawa'kehró:non that the existing main waterline from the Council Road to Twin Hills will be replaced (*see map below*). The works are scheduled to start on Monday, September 14th and continue until December 2009, weather permitting.

The Capital Construction Crews will be replacing the water line to ensure better service to the community for our future needs. Upon completion of the previously mentioned works, the road will be resurfaced with new asphalt.

The project will be carried out in segments to minimize inconvenience to all community members. A temporary water line will be installed to ensure service to all residents during construction.

Residents in the area may be inconvenienced with temporary loss of water, dust and noise from trucks and equipment, detours and temporary road closures. Residents will be notified at least one day prior to having the water turned off. Proper road signalization will be installed to warn of the construction limits. The community will also be notified when a road closure is scheduled.

Your patience and cooperation throughout this project is greatly appreciated. Please contact the Technical Services Office at 450-635-1016 if further information or special requests are needed.

SUGGESTED INSTRUCTIONS FOR MEDIA

Please run at your discretion until at least 14, Seskehkó:wa / September 2009.
For further information on this release contact Gene Diabo at 450-632-7500, ext. 2254

Shaded areas represent where works will occur.
