Mercier Bridge Overnight Lane Closure

(Kahnawake – 15, Kenténha/October 2021)

The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Ministère des Transports du Québec that inspection work will require the partial closure of one lane on the Kahnawà:ke-bound Mercier Bridge, **tonight from 9pm until Saturday 5am.**

As a note to bridge users, expect delays trying to access the Mercier bridge from Montreal, as work in the Ville-Saint-Pierre Interchange will see the closure of the R-138 west up-ramp from A-20 east. Additionally, one of two lanes will be closed on the R-138 west up-ramp from A-20 west, Friday 11:59pm until Monday 5am.

Please drive with caution and slow down when entering the construction zones, and respect the Move-Over Law when you see flashing lights.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
