## Tsi Nahóten Karihwanákere No'nenk News Release

### Seven Kids to enjoy Disney Trip

#### For immediate release

**(Kahnawá:ke – 6, Kentenhkó:wa/November 2007)** Seven (7) Kahnawá:ke kids will be joining approximately 150 other children from across Quebec who will take part in a one-day trip to Walt Disney World, courtesy of Dreams Take Flight.

The kids will board an Air Canada jet on Wednesday morning and travel to Orlando, Florida where they will spend a full day at the world famous park. They are expected to return around midnight.

Dreams Take Flight is a non-profit volunteer organization staffed by Air Canada employees and their families who work year round to prepare for the annual voyage. For the past thirteen years Dreams Takes Flight has taken socially, physically and mentally challenged children from across Canada to Disney World and Disneyland (for those living in the west).

Last year, three local kids made the trip. MCK employees Ken Bourque and David Lahache have been instrumental in coordinating Kahnawá:ke's participation in the event and have played an important role in fundraising efforts. As well, Shakotiiia'takehnhas Community Services has played an important role in selecting the children based Dreams Take Flight's requirements, as well as processing the necessary documentation.
