Chiefs Kiosk to Appear at Services Complex

For immediate release

(Kahnawake – 11, Kentenhkó:wa/November 2009) The Mohawk Council of Kahnawà:ke (MCK) is pleased to announce a new initiative that will offer easy and informal access to Council Chiefs.

Beginning tomorrow (12, Kentenhkó:wa/November), Chiefs will appear at the Services Complex on alternating Thursdays from 11 am to 4:30 pm to talk with community members. It is expected that some Chiefs will occasionally invite the people they work with directly on their various portfolios (Directors, Technicians) to join them at the kiosk.

“Instead of having people come to the office, it makes sense for us to go to the people,” said Grand Chief Michael Ahrírhon Delisle, Jr. “Community members have a lot to say, and we want to hear their ideas and answer their questions.”

The Chiefs will appear on a rotating basis. Ideally, the same Chief will also appear on the Chiefs Uncut program on Paul's Cable and the MCK Friday on K103 Radio in the same week in order to address some of the community's comments, concerns or suggestions.

Chief John Dee Delormier will be the first Chief to participate (tomorrow). Chief Kenneth McComber is scheduled for 26 Kentenhkó:wa/November, while Chief Lloyd Phillips has agreed to appear on 10, Tsothóhrha/December.
