Relations / Communications  
Unit*

## Water Shutoff Valve inspections

**(Kahnawake – 23, Kentenhkó:wa/ November 2016)** The Capital Unit of the Mohawk Council of Kahnawà:ke would like to inform residents of an upcoming project to inspect the water shutoff valve for individual properties throughout the entire village area of the community (*see map below*). The work for this project is scheduled to start on Monday, November 28<sup>th</sup> and will continue until Friday, December 16<sup>th</sup>.

This project includes locating and inspecting the shutoff valves at each property. Pressure testing of the house may be done if possible. The testing will be done between midnight and 6am. **No interruption to water service** is planned.

Your patience throughout this project is greatly appreciated. Please contact the Technical Services Office at 450-635-1016 if further information is required.
